EUROSTUDENT

The EUROSTUDENT project consortium, together with a network of national researchers and policy-makers, collects and analyses data on the social and economic conditions of students in the EHEA.

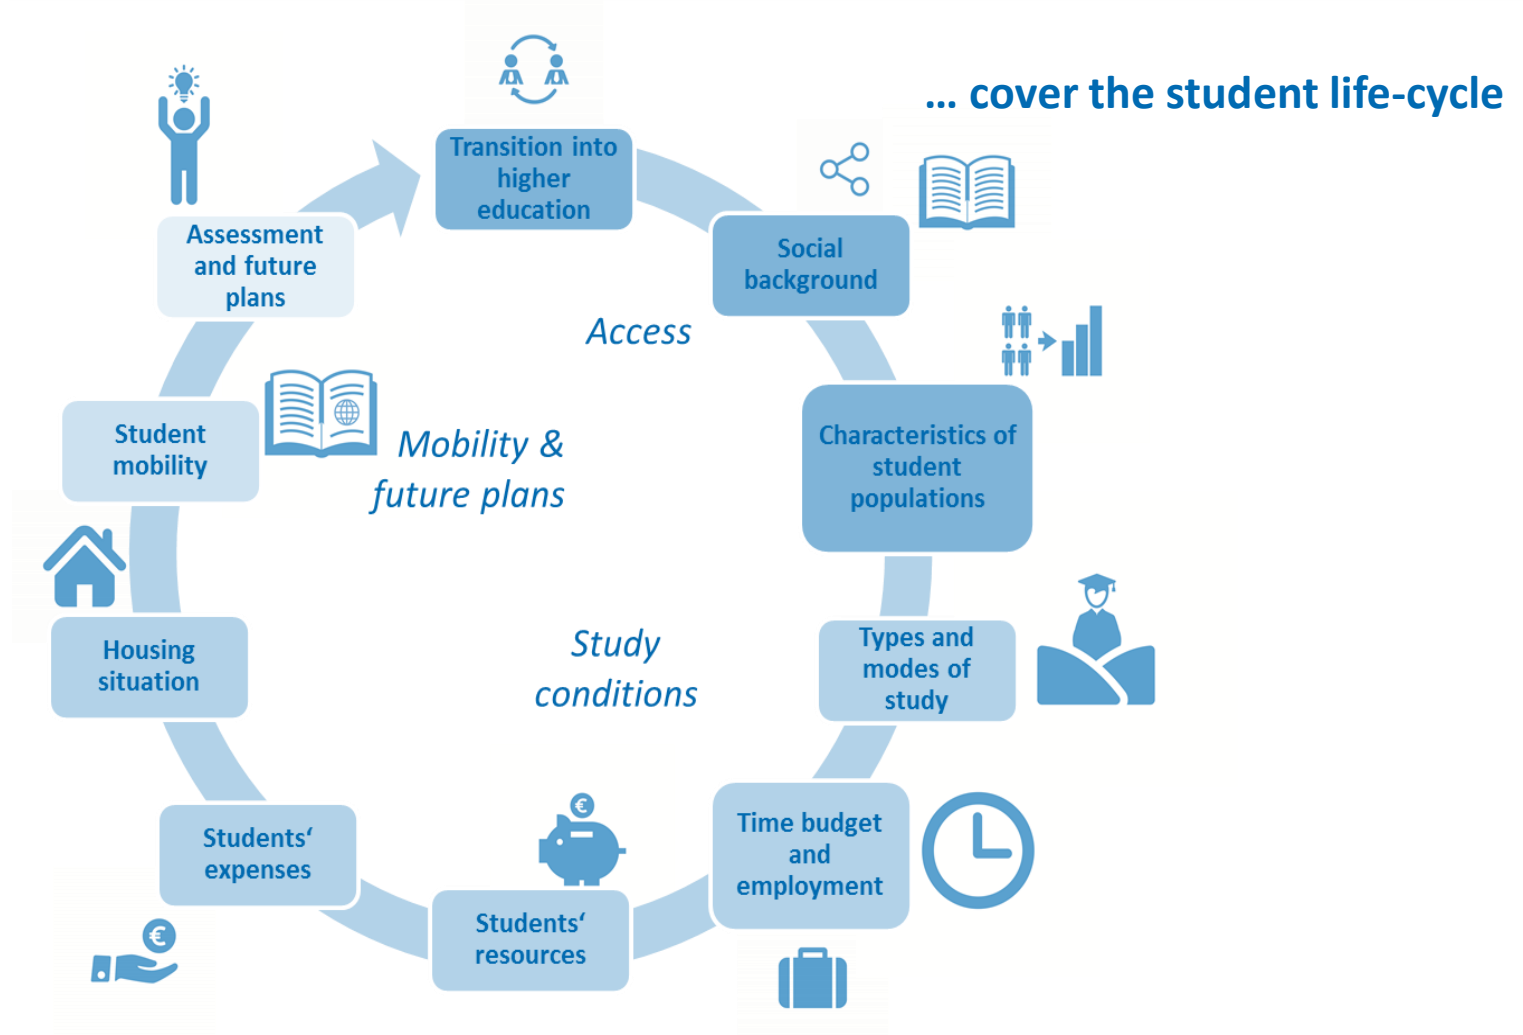

EUROSTUDENT goals

- **EUROSTUDENT provides a broad, policy-relevant cross-country comparison of data** on the social dimension of European higher education.
- **EUROSTUDENT assists in capacity-building** in order to establish policy-relevant and robust national monitoring structures for the social dimension of higher education.
- **EUROSTUDENT supports countries in their efforts to use the insights** from the international comparison to review and improve the social dimension of higher education in their country.

EUROSTUDENT provides

- core student survey questionnaire
- intensive methodological support and guidance
- comparative data analyses
- a network for exchange.
