

Practical Information for AG3 Meeting Brussels

Within Ravensteingalerij:

The entrance of EURASHE's offices is situated halfway through the gallery, on your right side (nr 27) when coming from the train station.

We share the doorbell with VLIR & VLHORA; press 31 #.

EURASHE is located on floor number 1.

By public transport:

Our offices are located opposite the back entrance of the Central Station in Brussels. You can easily reach us by train, by metro (line 1, 5) by tram (line 92, 93), or by bus (line 29, 38, 63, 65, 66, 71).

Once you've arrived in the Central Station, head for the main entrance hall facing the ticket offices (up the stairs). Then take the corridor on your right, go straight ahead and take the stairs again; you are now in the gallery.
