HIGHER EDUCATION REFORMS IN SPAIN

# **HERE-ES Project** **Student Centred Learning**

University of Alcalá, 7 – 8 April 2016

Dear Colleague,

The State Secretariat of the Spanish Ministry of Education, Culture and Sport MECED through the General Secretariat of Universities SGU in collaboration with the Spanish National Quality Agency ANECA, the Spanish Conference of University Rectors CRUE, the European Association for Quality Assurance in Higher Education ENQA and the European Student Union ESU, is organizing a Peer Learning Activity PLA on Student Centred Learning SCL.

The PLA is intended for a maximum of 40 participants coming from up to 10 countries, who will be engaged in mutual sharing and exchange of knowledge, concerns and ideas on SCL. Participants should include vice-rectors of learning and teaching, quality assurance agencies, ministry representatives and national ESU correspondents. Your country is cordially invited to participate in this PLA with a delegation of up to 3 - 4 participants per country.

This invitation is accompanied by the outline and provisional programme of the PLA. Please note that the participation includes both the attendance to the PLA and the completion of a short questionnaire on SCL in your country as specified in the Outline. Due to limited financial resources, participants are expected to cover their own travel and accommodation costs while the organization will cover lunch, coffees and dinner during the conference. We would like to ask you or another contact person from your country to give us information on your interest to participate in the PLA and on your delegation before 15<sup>th</sup> of February 2016.

Sincerely yours,

Luis Delgado Project Coordinator
