

TUNING EDUCATIONAL STRUCTURES IN EUROPE

**A pilot project by and for higher education institutions
supported by the European Commission
in the framework of the Socrates programme**

ANNOUNCEMENT

On Friday 21 May 2004 the Closing Conference of the project Tuning Educational Structures in Europe, phase II will take place in Brussels. At this conference the provisional outcomes will be presented. Among these are the following:

- *The Tuning subject-specific cycle level descriptors*
- *Student workload: the Tuning approach (A model for determining student workload in Higher Education programmes)*
- *Generic and subject-specific competences in practice: new approaches to teaching, learning and assessment*
- *Quality enhancement and assurance at programme level: the Tuning approach*

You are kindly invited to attend the Conference which will take place in the Charlemagne Building, Room S3, Rue de la Loi / Wetstraat 170 1049 Brussels (Metro Schumann) from 10.00 until 16.30 h. The programme of the Conference will be sent to you later this week.

Bilbao and Groningen, 30 April 2004

**Julia González and Robert Wagenaar
Joint project-coordinators**
